Hello,

We are contacting you today to inform you of the impacts we experienced due to Tropical Storm Idalia. Our teams have been working since early this morning to assess each property individually. Overall, our area did not experience significant impacts, and most of the damages we've discovered so far have been minimal.

We are diligently working through property inspections to ensure your vacation rental is well-prepared for your arrival. As a reminder, check-in time begins at 4 p.m. Therefore, please plan accordingly. Once your vacation rental has been cleaned, inspected, and released for occupancy by our team, we will notify you via text alert to the cell phone number we have on file.

We are excited to welcome you to the area for your upcoming vacation this weekend. As always, if you have any questions or need our assistance, please don't hesitate to contact us at 843-651-2121.

Best,

Your Team at Garden City Realty
