Hello,

We returned to the office this morning and visually assessed the area. We did not experience significant impacts upon our initial inspection, and any damages found have been minimal. Therefore, we will only be performing post-storm inspections if you have a specific request for us to do so. We are now shifting our focus to resetting outdoor furniture and preparing your property for the next arrival.

Attached (*in the email*), you will find photos of current area conditions. We are looking forward to the beautiful, cooler weather forecasted for the weekend.

If you have any questions, please get in touch with us at 843-652-4305.

Sincerely,

Your Owner Services Team
