Lisa Valone and Christi Wickliffe-Bessinger

Garden City Beach, SC – April 3, 2017– Lee Hewitt, Broker-in-Charge of Garden City Realty, Inc. is pleased to announce that Garden City Realty won a Member Achievement Award from Leading Real Estate Companies of the World® (LeadingRE), a global network of more than 500 premier real estate firms. The award was presented at the network’s Annual Awards Gala held at The Fontainebleau in Miami Beach, FL during LeadingRE’s Conference Week, an event that attracted more than 2,000 top real estate professionals from over 20 countries. Representing Garden City Realty at the 2017 conference were Sales and Relocation Coordinator, Lisa Valone and Advertising and Marketing Manager, Christi Wickliffe-Bessinger.

For the third consecutive year, Garden City Realty, Inc. was named to the Momentum Club, which acknowledges members that dramatically improved their company’s outgoing referral performance from 2015 to 2016 based on a certain increase in closed transactions resulting from client introductions made to other affiliates throughout the network.

“Being recognized with a Member Achievement Award is a noteworthy distinction, signifying an exceptional level of real estate expertise and professionalism,” said LeadingRE President/CEO Pam O’Connor. “We are pleased to celebrate these outstanding firms for being among the top real estate companies in the world and commend them for their many accomplishments.”

“We are honored to receive this recognition from Leading RE for the third year in a row,” said Lee Hewitt. “With our desirable location along South Carolina’s coast, most referrals we manage are incoming. Relocating away from the area is not a trend our agents are accustomed to seeing in our market. Therefore, it’s good to know they do take advantage of the program for outgoing referrals.”

Garden City Realty, Inc. is the Grand Strand’s representative of Leading Real Estate Companies of the World® (www.LeadingRE.com), the largest network of premier locally-branded firms in more than 50 countries producing over one million annual home sale transactions. LeadingRE provides its affiliates with an extensive range of brokerage services, which include lead generation, cross-market referrals, branding support, luxury marketing, online exposure, technology systems, and industry-leading professional development.
