OUR HISTORY

Established in June 1973, when President and Broker-in-Charge Eugene (Beau) Forshee, Fred L. Wilcox, and M. Murray (Mackie) McLendon purchased Martin's Real Estate Co. They changed the business name to **GARDEN CITY REALTY** to reflect its location at the corner of Atlantic Avenue and Dogwood Drive in Garden City Beach.

The first office consisted of two rooms (approximately 500 square feet) and served the company well until 1978 when **GARDEN CITY REALTY** moved to its present location.

In August 1977, licensed real estate agent, Dennis McElveen, joined **GARDEN CITY REALTY**. He became a partner and Vice President in 1982. In 1981, W. Lee Hewitt, III, joined the team as a licensed real estate agent and eventually obtained his South Carolina Real Estate Broker's license.

Since 1973, the vacation rental inventory has grown from 18 properties to hundreds of properties today.

GARDEN CITY REALTY acquired By the Sea Realty and its on-site oceanfront office at Surfmaster By The Sea. Then in 2009, they purchased and merged Condotels, adding exclusive high-end oceanfront properties to its vacation rental inventory.

In October 2006, President Eugene (Beau) Forshee retired and transferred his stock to President Dennis McElveen and Vice President W. Lee Hewitt III.

In August 2021, President Dennis McElveen transferred his stock to his son, Andrew (Drew) H. McElveen, a licensed South Carolina Real Estate Broker. Drew joined **GARDEN CITY**

REALTY after graduating college in 2014.

Today, **GARDEN CITY REALTY**'s stockholders include President W. Lee Hewitt III and Vice President Andrew (Drew) H. McElveen.

The Sales Department's REALTORS and sales professionals strive to provide

clients with the most satisfying, well-informed real estate experience.

ACTION PLAN

WHAT WE DO FOR YOU

Let **GARDEN CITY REALTY** utilize our experience and expertise to ensure the best possible outcome in your vacation rental experience.

OBJECTIVES

Complete asset management of your property.

- Caring for and maintaining your property.
- Maximizing the revenue potential of your property.

GARDEN CITY REALTY is here to work for you. We strive to exceed your expectations and for our team to be your Property Management Team for as long as you own your property.

PLAN OF ACTION

1. Discuss your goals and objectives for adding your property to our vacation rental property management program.

- How many weeks of the year do you want to rent?
- Do you hope to have your rental revenues pay for all expenses associated with owning your vacation property? Do you expect to make a profit? If so, how much?

2. All real estate rentals are considered a business.

If applicable, **GARDEN CITY REALTY** will provide you with the contact information for obtaining your business license to ensure you comply with the local rules and regulations.

3. Review our in-house services, including housekeeping, maintenance, and our accounting department.

- Owner Services
- Owner portal
- Linen options
- Owner statements
- Receiving deposits
- Pool and hot tub maintenance
- Ease-of-access key-less lock system
- Filter replacements

4. Review what we do to advertise your property.

- Our Websites
- Online travel sites
- Social media marketing
- E-Blasts
- Brochure
- Community relationships
- Advertisements

5. Review how we take reservations and payments from our guests, respond to inquiries promptly, manage guest complaints, handle keys, distribute linens, manage maintenance issues, and schedule housekeeping between guests.

6. Discuss our property management fees.

7. Walk through your vacation home and make recommendations to remove valuable or irreplaceable items. If you don't have one, we suggest creating a lockable closet to store personal effects and supplies you wish to have on hand. Also, make sure the space throughout your property is clutter-free.

8. Write a property description of your property and take professional photos.

9. Provide suggested rental rates. Help to maximize your rental revenue by offering dynamic pricing.

10. Discuss owner incentives for personal rental referrals and how this reduces commissions.

11. Make your property live on our Websites.

LINENS

Linens are the most intimately used items a guest encounters at a vacation rental daily. To give your guests a consistently comfortable experience, **GARDEN CITY REALTY** includes linens and towels with your rental. It is a wise upsell feature because there is no added cost to the owner. The fees that guests pay are added to the base rate. In addition, including linens can offset the cost of water used for laundry and cut down on the wear and tear of your washer and dryer.

COMPETITIVE BASE RATES

The proper rates can do wonders for your vacation rental's success. They can help you make a booking when your competitors are still vying for interest. They can help you command higher rates than your neighbors when demand in your area is high. They can even pull you out of a booking slump.

GARDEN CITY REALTY's trained Owner Services professionals will guide you in setting appropriate base rates established on your property's location, property type, number of bedrooms, number of guests your property can accommodate, and the amenities your property offers.

RATE MANAGEMENT

Active rate management is vital when attempting to maximize revenue. Offering flexibility when managing rates helps owners avoid missing out on bookings.

DOG-FRIENDLY PROPERTIES

According to the 2023-2024 APPA National Pet Owners Survey, 66% of U.S. households own a pet, which equates to 86.9 million households. Dogs are the most popular pet in the U.S. (65.1 million U.S. households

own a dog). Likewise, according to the 2021-2022 APPA National Pet Owners Survey, 78% of American pet owners travel with their pets each year.

Owners can accommodate a new type of clientele when they offer this highly sought amenity.

RENOVATE YOUR PROPERTY

Guests expect a product equivalent to or better than what they have at home. We can help facilitate the renovation process and ease the burden of working with contractors from afar.

GENERATE REPEAT BUSINESS

Impression management is everything. Our professional staff will help you get the most value when investing in your property each year. Quality accommodations drive repeat business.

MAINTAIN A WELL-EQUIPPED KITCHEN

Maintaining a well-equipped kitchen is critical. Guests primarily choose a vacation rental to cook and share a meal.

CAPITALIZE ON AMENITIES

Make sure you are taking advantage of the amenities you can offer guests. Suggestions include Smart televisions, high-end electronics, stainless steel appliances, and other modern amenities.

PROFESSIONAL PHOTOGRAPHY

Professional photography allows guests to see an accurate representation of your property. **GARDEN CITY REALTY** markets all vacation rental properties with photographs and a virtual tour. The virtual tour allows guests to *walk through* your property virtually.

HOMEOWNER SERVICES

GARDEN CITY REALTY offers our homeowners the option to participate in various services designed to improve the guest's vacation experience.

CABLE AND INTERNET

We strongly suggest our homeowners offer wireless Internet services, as this is one of the most requested amenities from our guests.

HOUSEKEEPING

The quality of a cleaning service is one of the most critical aspects of the guest's vacation experience, and routine cleaning helps maintain the quality of the property.

GARDEN CITY REALTY'S Housekeeping Department is responsible for departure maid service on checkout day. Because there is a narrow opportunity to clean all of the properties on our program, we maintain a strict schedule while holding our cleaners to a high-quality standard with solid attention to detail.

GARDEN CITY REALTY'S inspectors check every property after our staff has cleaned them and before guests check-in.

We recommend properties are deep-cleaned twice a year, and at least once is mandatory. Deep cleaning involves a complete top-to-bottom cleaning, typically an all-day crew. We prefer **GARDEN CITY REALTY** to perform this service, but if you choose to do it

yourself or with your cleaner, we will provide a checklist for you to follow and inspect afterward. Ask about our deep cleaning rates and services.

KEYLESS LOCK ENTRY

Remote access control eliminates the need for physical key exchange. Instead, owners can create different codes for guests and **GARDEN CITY REALTY** staff to track when people enter and exit your property. Ask about our list of recommended vendors.

A/C FILTER CHANGES

GARDEN CITY REALTY strongly recommends that A/C filters be changed monthly during June, July, and August and at least every other month for the rest of the year. We can provide filters and change out the filters. Ask about our monthly/annual filter service.

FIRE EXTINGUISHERS AND SMOKE ALARMS

The law requires maintaining a fire extinguisher on all dwelling levels of your home, and it is essential to check your smoke detectors and fire extinguishers routinely.

LAWN AND POOL MAINTENANCE

We recommend keeping your yard and, more importantly, the pool and

hot tub in top condition and frequently servicing the pool. We do not provide these services. However, we work with vendors who do. Ask about our current list of recommended lawn and pool vendors.

POWER WASHING

We recommend power-washing your home at least twice a year. We do not provide these services. However, we work with vendors who do. Ask about our current list of recommended vendors who offer power washing services.

PEST CONTROL

It's mandatory to maintain reasonable pest control in your home. We do not provide these services. However, we work with vendors who do. We can provide you with a list of preferred vendors to give you quotes on servicing your home.

GENERAL MAINTENANCE & SERVICE CALLS

GARDEN CITY REALTY has a highly skilled in-house maintenance team capable of performing essential services on your property.

We will dispatch our team to assess and triage all problems before contacting third-party resources to regulate expenses. We will use outside vendors for expert services like electrical HVAC repairs. Ask about our maintenance service fees. Materials are extra.

Local Expert

The advantages far outweigh the disadvantages when comparing services provided by local property management companies versus online companies. For many homeowners, the prospect of renting their property themselves seems like easy money. You take bookings directly from travelers without paying a fee or commission to a rental company – sounds easy, right? However, according to Vacation Rental By Owner reviews, most homeowners get better results when choosing a professionally-managed vacation rental company like [GARDEN CITY REALTY](#) to rent their property. See the list below that details the key differences.
